Mickey:

Attached is a copy of a letter sent to Mr. Askanase from the TCEQ. Included in this letter is your priorities. I have 2 questions on your priorities. VB601 and VB617 do not show up on the diagram that you had previously submitted to me. The only Vac Boxes that I have listed for the site are: VB640,641,607,610,633,639,618,25141,281842.

Do you have an updated map which shows the containers located on the site?
